Dear Clerk Dudenhoeffer,

Attached is a PDF copy of the formal letter regarding the filing fee checks received in the envelope from your office on March 3, 2026.

The letter explains our review of the contents, the committee's process, the 7 day pending status of the checks, and our expectations under Missouri law (RsMO 115.357).

A certified copy of the letter will be mailed tomorrow. Please review the attached document at your earliest convenience.

The attachments to this email also include copies of letters to those who submitted filing fee checks to you, to clarify that the checks are being held pending successful completion of the vetting process.

We remain available for any questions and appreciate your attention to this matter.

Best regards,
